Get Involved. Be Inspired. Many of our events need volunteers!

At CCA, volunteers are our heart and soul, fueling programs that bring the joy of music, the magic of wishes, the power of information and the comfort of compassion to thousands of seriously ill kids and their families every year.

Whether you want to volunteer alone or with your family, on a corporate team or with a student group, as a community leader or with a service organization, CCA has a fulfilling opportunity for you.

To learn more about volunteering for our programs and special events or supporting CCA with administrative help or leadership, please visit www.JoyRx.org, call **503-244-3141** or email volunteer@JoyRx.org
